Cities and Towns In Five States  
Inundated; Flood Boundary  
Line 2000 Miles Long

FOOD BADLY NEEDED, SAYS  
RED CROSS SECRETARY

Additional Levees Break; Cairo  
Faces Critical Situation as  
Does Other Points

WASHINGTON, April 5.—Telegraphing from the flood district, Ernest Bicknell, secretary of the National Red Cross, says there are 20,000 homeless people in southern Illinois, and food is badly needed throughout the flood region.

"At least thirty cities and towns," the message said, "are inundated in Ohio, twenty in Indiana, many in Illinois, Kentucky and West Virginia. The boundary lines of the flood territory are at least 2000 miles long. The situation is serious in many Indiana cities."

Mr. Bicknell also transmitted a report from Adjutant General Dickson of Illinois, declaring the condition in Illinois to be critical.

CAIRO SITUATION DANGEROUS  
FROM PRESSURE ON LEVEES

CAIRO, Ill., April 5.—With the river rising slowly, and a choppy wind whipping the flood waters into fair-sized waves, adding to the pressure on the levees, the situation here today is more dangerous than before.

It is reported that the levee at Point Pleasant, Mo., collapsed today. If this is true it should relieve the pressure here. Advances at noon said the residents of Mound City, Ill., are further threatened by the weakening of the levees. Colonel Moriarty, in charge of the militia here, started immediately for Mound City, where two companies are already on duty.

LEVEES COLLAPSE AT BAYOU  
GAYOSO—NO FATALITIES

MEMPHIS, April 5.—The levees at Bayou Gayoso collapsed today, flooding five city blocks. No fatalities are reported.

The city engineers have abandoned the hope of preventing the flooding of North Memphis. Prisoners in the county jails are working on the levees. Seven blocks are now under water. The poorer districts are suffering most. Hundreds were taken away in boats when the waters rose.

At 1 o'clock this afternoon Police Inspector Perry warned all living in the lowlands to flee for their lives.

EVANSVILLE STREETS ARE  
FLOODED FOR TWENTY MILES

EVANSVILLE, Ind., April 5.—Flood waters have inundated twenty miles of Evansville streets. The business section is partially submerged and many buildings are in danger of collapsing.

87 DEAD BELIEVED TO BE  
TOTAL IN COLUMBUS FLOOD

COLUMBUS, O., April 5.—Eighty-seven bodies, all identified, are believed to be the total deaths resulting from the recent flood in this city. Governor Cox announced that he has arranged with Senator Pomerene to ask for a congressional appropriation of \$2,000,000 to relieve the flood sufferers. It is believed such a bill will pass Congress unanimously.

# WOUNDED MEXICAN IS RESTING EASILY

His Companion in the Melee  
at Orangethorpe Faces  
Justice Monday

Cornelio Ledesma, the Mexican who was shot in the leg by Constable Clark of Garden Grove during the battle near Orangethorpe school house yesterday, is resting easily at the Santa Ana hospital, but the doctors have practically no hope of saving his shattered limb. Ledesma had a good night and rested comfortably. He is decidedly taciturn and refuses to discuss the shooting or the thefts at Garden Grove that are laid at his door. Pedro Arend, said to be half-brother of the wounded man, is being held in the county jail. He will probably be arraigned before Justice Cox Monday morning. Ledesma's arraignment will depend upon his recovery from his wound.

Poultry dinner at the Hotel Rochester, Orange, tomorrow, 12:00 to 1:30. Price 50c.

# Refused to View Dead Body of His Alleged Victim

LOS ANGELES, April 5.—Refusing to view the body of Mrs. Irene Mattis Smith, killed in her apartments during a card game with Morris Bohanon, James J. Murphy, held on the charge of murder, exhibited the first signs of emotion at the inquest today. When it was suggested that Murphy see the body he cried: "My God, no! I don't want to see her."

Mrs. Estelle Moore, charged with being an accessory to the murder, refused to attend the inquest. She cried hysterically and refused to leave her cell in the jail.

Mrs. L. A. Eby, Mrs. Smith's mother, and Morris Bohanon are the principal witnesses. The jury was sworn in shortly before noon.

The coroner's jury returned a verdict that the girl came to her death through gunshot wounds apparently at the hands of James J. Murphy, either accidentally or with intent to commit murder.

SEA MYSTERY; NEPTUNE  
ADrift WITH SAILS SET

PENSACOLA, Fla., April 5.—The American schooner John L. Treat, here from Matanzas, Cuba, reports passing in latitude 26.30 north, longitude 84.35 west, the American schooner Neptune, abandoned, with all sails set and a full cargo of lumber. The vessel apparently was not damaged.

An attempt was made by the Treat to tow the Neptune to Pensacola, but the hawser parted in the night, and the next morning the abandoned schooner was not in sight. Two men went aboard the Neptune, but found no sign of life.

NATION'S HIGHWAY TO NEEDLES  
FROM SAN BERNARDINO, GOOD

SAN BERNARDINO, April 5.—E. C. Small, of the local Buick agency, has made a trip over the strip of National highway route between this city and Needles, covering 400 miles in his Model 24 Buick without a mishap.

The road was found to be in excellent condition all the way, except about 22 miles between Ludlow and Bagdad. This is soon to be improved by Supervisor Butler, who has been at work on other sections.

# BOND MONEY FOR NEW HIGHWAYS NOW READY

Last Details Preceding the Payment of Funds Have Been  
Attended to

INTEREST EXCEEDS  
AMOUNT OF PRINCIPAL

Last Thousand-Dollar Bond  
Becomes Payable in the  
Year 1945

The signing of the 1270 thousand-dollar highway improvement bonds was completed today by County Auditor Lester and Chairman Talbert of the Board of Supervisors; and County Clerk Williams has affixed the seal of the county to each and every one of them. All that remains to complete the last detail of the deal is for the first installment of the money to be paid into the county treasury, and this will be done Monday next, as all the arrangements have been made by the bond buyers through their Los Angeles house. The first payment is to be approximately \$300,000.

Some very interesting figuring on the bond issue has been done by County Auditor Lester. He finds that the interest on the bonds will at their expiration exceed the amount of the principal. In other words the issue of \$1,270,000 will pay interest amounting to approximately \$1,450,000. The bonds run from one to thirty-two years, forty being paid off annually. The last forty will fall due in the year 1945. The bonds bear five per cent interest, payable semi-annually in the months of March and September. There are two coupons on each bond, beginning with two for the first bond and increasing in number until the last bond has 64 coupons to be cut.

With the receipt of the bond money it is expected that there will be a natural impetus given to the preliminary work of the county highway commission. Surveying work is now being pushed ahead, and various routes are receiving consideration. The commission has arranged for regular weekly meetings to be held in their new headquarters in the basement of the county courthouse, where Secretary G. A. Whidden will be in daily attendance.

# PEACE ONLY ON ALLIES' OWN TERMS

Turkey Must Pay Indemnity  
and Cede Aegean Isles; Scutari  
Said to Have Fallen

SOFIA, April 5.—Peace will come in the Balkans only when Turkey announces her willingness to pay a heavy cash indemnity and cede the Aegean islands. This is the gist of the formal reply of the allies to the peace proposals of the powers, which Turkey has agreed to accept. The Bulgarian foreign office delivered the reply to the diplomatic representatives of the powers here.

Scutari Falls, Says Report

LONDON, April 5.—Scutari surrendered to the allies this morning, according to persistent but unconfirmed reports. Similar reports reached Paris, Vienna and other capitals, but the diplomats had received nothing direct this morning. It is said Scutari capitulated following a final assault by 60,000 Balkan allies.

# CHARGE ANAHEIM MAN WITH INSANITY

John Torie, a resident of Anaheim, was brought to the county jail here this morning, and will be held pending an investigation as to his sanity. Torie's recent actions caused the authorities at Anaheim to take him into custody, and while confined in the jail there he endeavored to tear down the structure. He was suffering with the delusion that the jail walls were causing a blockage of water which threatened to drown an imaginary horse.

# FULLERTON AFFORDS EXCEPTION TO RULE

Official and Unofficial Returns  
Received by the County  
Superintendent

School election results from throughout the county are beginning to be received at the office of the county superintendent of schools, R. P. Mitchell, in the county courthouse. As previously reported the election was attended as a rule with little excitement, there being no opposition in most places to the re-election of the officials whose term of office is about to expire.

An exception to the prevailing rule of quietness was presented by the Fullerton high school district, where there were several candidates, and where the two incumbents whose terms are about over, were defeated for re-election. Dr. W. H. Wickett of Fullerton, and W. H. Brown of Brea, were the successful candidates over L. P. Drake of Fullerton, and J. G. Launer of La Habra. The two latter had at first decided not to be candidates for another term as trustees, but had been persuaded to make the race even after their formal announcement of retirement.

The present grammar school board in Fullerton was re-elected. At El Toro R. B. Waterman has been chosen to succeed himself. George B. Wilcox has been re-elected at Buena Park.

At Huntington Beach C. C. Lavering has been re-elected. William Chambers succeeds himself on the Anaheim board. The Huntington Beach high school district has re-elected Ed. Larter and Charles F. Ward. A tie vote is reported from Fountain Valley. George C. Woods and R. W. Jones have been elected at Orange as members of the Orange high school board, and C. E. Lush has been elected to succeed W. D. Granger on the Orange grammar school district board. Mr. Granger was not a candidate for re-election. No election held in Santa Ana.

# GEN OJEDA TRIED TO ESCAPE FROM NACO LAST NIGHT

NACO, Ariz., April 5.—A determined effort to prevent General Ojeda with his three hundred federalists escaping from Sonora, fifteen hundred constitutionalists are drawing the lines closer about Naco today. A battle is expected tonight.

General Ojeda made a half-hearted attempt to cut through the rebel lines last night, but after a half hour's disultory firing his forces returned to the barracks at Naco. None is believed to have been hurt. Hundreds of Americans are gathering at Naco in anticipation of witnessing a battle at that point.

# LA FRANCE BEARS J. P. MORGAN'S BODY TO UNITED STATES

HAVRE, April 5.—The liner La France bearing J. P. Morgan's body sailed for the United States at 6 o'clock. A great throng standing bareheaded, witnessed the liner's departure.

DEPLORES WAR EXPANSION

BERLIN, April 5.—Discussing the latest race for military expansion in Europe, the Frankfurter Zeitung in a leading article yesterday suggested that the time is favorable for the holding of an international conference to evolve a plan for its restrictions.

The newspaper says: "No country participating in this rivalry can propose the conference. The United States alone is in a position to discharge this service for the other nations and to secure itself their gratitude."

EGG IS BIG ONE BUT NOT

Another large hen egg has been added to the collection at the Chamber of Commerce. A Plymouth Rock hen belonging to Mrs. J. H. Sharps of 810 North Broadway did her level best, which was extra good, and produced an egg that weighs three ounces and measures 6 by 7 1/2 inches. She will have to try again if she gets the local record, for the egg brought in from W. L. Bowland's ranch still holds first place. It weighs four ounces and measures 6 1/2 by 8 1/2 inches.

# GOV. JOHNSON OFFERS HEARTY SUPPORT TO ILLINOIS WAGE PROBE

Hopes For Minimum Wage Commission  
Here and Promises Cooperation in  
Probe Movement

SACRAMENTO, April 5.—Expressing his determination to pass the minimum wage bill in California if possible, Gov. Johnson sent the following letter to Lieut. Gov. O'Hara of Illinois in charge of the Illinois legislative starvation wage-slavery probe: "Your recent letter relating to the investigation of the white slave traffic and informing me of the purpose of your committee to continue its work has been duly received. Permit me to congratulate you upon the very excellent results thus far attained. I am endeavoring to have passed by the present legislature a minimum wage commission bill. It is my hope and design that this commission will not only investigate the wage question but every related subject, and that it may act in conjunction with your commission and similar ones in other states. At any rate, rely on my hearty co-operation in the work you have undertaken and feel at liberty to command me."

JORDAN DEFIES STATE  
CONTROL BOARD—SOLONS  
DRAWN INTO CASE

SACRAMENTO, April 5.—Secretary of State Jordan today defied the state board of control and refused to appear for further investigation of the charges regarding the handling of certain funds in his department. A concurrent resolution was introduced in the senate by Wright, and in the assembly by Johnston asking for a special investigating committee of five members from each house to be appointed to probe the charges of the board. A petition from Secretary Jordan asking the legislature to determine officially the truth or falsity of the charges accompanied each copy of the resolution.

The senate referred the petition to the rules committee. By a vote of thirty-two to twenty-nine the assembly refused to introduce the resolution, declaring it out of order. It will be presented in regular order next Monday.

Secretary Jordan's petition read: "Whereas certain charges have been made against the secretary of state and his office, claiming that he has not fulfilled properly the duties of his office; whereas such charges are being investigated by an appointive body, namely, the state board of control, I, the undersigned, Frank C. Jordan, said secretary of state, demand that the charges be investigated by the supreme lawmaking body of the state and their truth or falsity determined. I therefore petition that you appoint a committee to investigate without delay and the report be made to the present legislature."

Later Secretary Jordan said: "I refuse to submit to an investigation by an appointive body. I refuse to appear before them, simply asking the legislature for fair treatment. The board of control cannot Shannonize me."

Several fire insurance and automobile men from San Francisco were witnesses before the board of control in session today. The investigation continuing behind closed doors. No transcript of proceedings has yet been given out.

# JAPAN OPPOSES RIOTING CALLS ANTI-ALIEN LAND LAW OUT TROOPS, POLICE

Says California's Proposed Law  
Is Treaty Violation; Bryan  
Wires to Gov. Johnson

300 Strikers Attack Workmen  
at Auburn, N. Y.; Haywood  
Out Free Speech Ruling

WASHINGTON, April 5.—That the Japanese nation is just as bitterly opposed to the alien land law proposed for California as it was when similar legislation was planned during Roosevelt's administration was made apparent yesterday when Viscount Chinda, Ambassador from Japan, called at the state department and made a strong protest to Secretary Bryan.

It is understood that Secretary Bryan, impressed with the vigor with which the protest was framed, immediately telegraphed to Governor Johnson, informing him of the complaint and asking for information on the situation in the legislature.

The ambassador was closeted with Secretary Bryan for more than an hour, and while the utmost reticence was maintained by both officials after the conference, it is known that Japan's position, as outlined by Viscount Chinda, was equally emphatic as that taken by Baron Uchida, the Japanese ambassador at the time of the former protest, claiming a violation of treaty, placing Japan on equality with other nations.

# SUFFRAGETTES IN ARSON ACT AGAIN

Burn Ayr Racing Stables and  
Grand Stand, and Country  
House—Loss Is Great

AYR, Scotland, April 5.—Suffragettes today fired the grandstand and stables at Ayr race track. All were destroyed. The loss is \$150,000.

Country House Burned

The suffragettes continuing their campaign of retaliation against the sentencing of Mrs. Emmeline Pankhurst, to a term of imprisonment, succeeded last night in destroying another country house by fire. The residence, situated at Chorleywood, Buckinghamshire, was unoccupied, but was being prepared for the reception of a tenant. The owners, a firm of contractors, estimate their loss at \$12,500. No arrests were made.

# MONUMENT TO PONY EXPRESS RIDERS ON FAMOUS SITE

ST. JOSEPH, Mo., April 5.—A handsome granite monument, commemorative of the pony express riders of early days, was unveiled Thursday in Patten Park here. The monument stands on the site of the spot from which the first express rider started, taken by Baron Uchida, the Japanese ambassador at the time of the former protest, claiming a violation of treaty, placing Japan on equality with other nations.

William F. (Buffalo Bill) Cody, one of the original riders, and Governor Elliott W. Major of Missouri, a direct descendant of one of the owners of the first Pony Express Company, made addresses.

# GLOBE TROTTER TO HIKE FROM PACIFIC TO ATLANTIC

LONG BEACH, April 5.—Otto Pritschau, a globe-trotter for many years, who hails from Berlin, is preparing for a transcontinental hike. He will leave the Y.M.C.A. building for the first leg of his journey next Wednesday afternoon and expects to be in New York in six months. There is no wager; Pritschau performs that mode of traveling. He expects after reaching the Atlantic coast to return by another route on horse back.

Pritschau is 50 years of age, 6 feet 4 inches tall, powerfully built and well preserved. He has toured Germany, France, Switzerland and Italy.

# WILSON IS IN CONTROL OF TARIFF

Indications Are That His Plans  
For Measure Will Be  
Fully Accepted

# SUGAR INTERESTS JOIN TO DEFEAT HIS PLANS

Reciprocity Is Assured by Provision  
Abolishing Tariff  
Now In Force

WASHINGTON, April 5.—The senate finance committee carefully considered the various features of the new tariff bill today. The sugar interests representing Louisiana and other southern producers, and the sugar beet men are endeavoring to gather enough strength to defeat the administration's compromise plan. It is believed they must muster more support than is now visible in order to succeed as the indications are that President Wilson's plans for a general bill will be accepted in their entirety.

The fullest measure of reciprocity was assured in a provision written yesterday into the tariff bill by the terms of this provision the maximum and minimum tariff now in force is abolished, and the president is authorized to negotiate reciprocity treaties with all nations who are willing to make tariff concessions to the United States.

# UNDERHANDED MEANS TO DEFEAT SUFFRAGE CAUSE

DETROIT, April 5.—The suffrage constitutional amendment will be submitted to voters on Monday. An anti-suffrage circular has been issued discussing jury service, saying: "How would you like to have your mother or sister locked up for the night in a room with eleven men?" The suffrage leaders have taken exception to the circular, branding it as an immoral and indecent appeal.

# GOVERNOR NAMES STATE DELEGATES

Santa Ana Represented in List  
at National Drainage  
Convention

J. P. Baumgartner, editor of the Register, has been appointed by Governor Johnson one of the ten delegates from California to the third National Drainage Congress, which will be held at St. Louis, April 10-11-12. The other California representatives are E. S. Brown, Sacramento; J. L. Craig, Stockton; P. J. Van Lobben Selk, Oakland; M. C. Zumwalt, Esq., Tulare; J. C. Franks, Pheasant building, San Francisco; L. L. Borden, San Francisco; Louis Frankenhelm, Stockton; Jesse Poundstone, Grimes; S. C. Evans, Riverside.

The object of this convention is to have the Congress of the United States take immediate action to create a National Drainage Commission with ample powers and funds immediately available to evolve and put into effect a comprehensive national plan for:

The protection of the public welfare, by the drainage and reclamation of the 75,000,000 acres of swamp and overflowed lands in the United States and their utilization for agricultural purposes;

The protection, by drainage and reclamation, of the public health, which is constantly menaced by the existence of these swamps;

The protection, by levee construction and other means, of the people and their lives, homes and lands, from floods, storms, and tides;

The protection of the financial interests of the United States, the various states, and the individual land owners, by co-operation and an equitable sharing of the expense of carrying out this plan, in proportion to the benefits received.

# GOOD FISHING DAY—J. B. RAMSEY CATCHES LIMIT

Mr. and Mrs. J. B. Ramsey of 1101 West Seventeenth street, and J. W. Long went fishing yesterday in Silverado canyon, with splendid luck. Mr. Ramsey caught fifty trout, the limit, and Mrs. Ramsey hooked 22, and Mr. King also being fairly successful.

## HIGH SCHOOL PUPILS OF ANAHEIM PRESENT GRAND AND INSTRUCTIVE PAGEANT

ANAHEIM, April 5.—The most elaborate affair of its kind ever attempted in the county by local talent, was given Thursday night by the Anaheim high school students when they presented a grand pageant of American history. One hundred and ten students took part in the presentation of the unique and gorgeous entertainment.

The affair was arranged and directed by Mrs. Emma Bartlett, who has charge of the musical department of the school, and Miss Rose Osberg, physical culture teacher.

Miss Kathryn Hand acted as Queen of the May and occupied the throne in a graceful manner during the entire program. The heralds were Edward Hemmerling and Fred Stems. The Queen's attendants were Miss Ruth Anow and Miss Fern Ramella. The May-pole dancers, representing roses and lilies, included Vicenta Doyle, Inez Elliott, Gladys Goble, Callie Sparks, Esther Teisfelder, Audrey Weidner, Alberta Abbey, Vera Cole, Grace Grilly, Gladys Gunnert, Carrie Evans, Orilla Evans, Leola McClellan, Lulu McClellan, Lyla Reed, Maude Squires, Lura Sparks, Estella Webb, Marguerite Flagg, Ruth Winters, Catherine Hiles and Goldie Matthews.

Among the specialties were the "Mayflower Days," when Miles Standish, John Alden and Priscilla were represented by Miss Evelyn Finney, Edward Backs and Ralph Mann, were brought into the limelight again, the Indians,

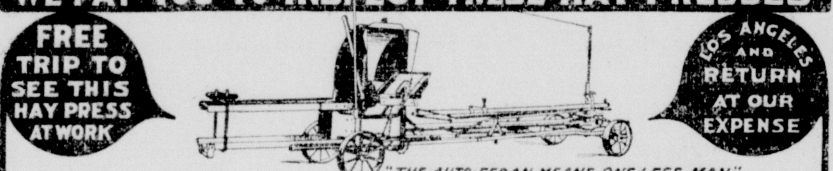

the Puritans, Colonials, forty-niners, boys in blue, boys in gray, the Hawaiians, aesthetic dancers, Spanish girls, United States marines and Uncle Sam. The characters and costumes for the various parts had been planned in such a successful manner that it required only a glance to determine what each character represented. The costumes were elaborate and the pageant inspiring, several being present who could remember the hardships of the "forty-niners" and also "Dewey at Manila." The "forty-niners" in the "Hoe-Down" and the handsome Spanish dancers and the United States marines, created the greatest furore during the evening.

The finale was perhaps one of the prettiest features during the program, for as the pageant and chorus sang "The Star-Spangled Banner," Uncle Sam stepped forward and raised an immense American flag. As the vast audience arose they were covered with serpentine streamers (red, white and blue), thrown by each member of the pageant from the stage.

## I Cure PILES

Fistula and All Rectal Diseases WITHOUT AN OPERATION

I Guarantee to Cure Every Case! Accept for Treatment.

For twenty-five years I have been curing diseases of the rectum and lower bowel. During that time my experience as hospital and railroad surgeon, as college lecturer and professor, has enabled me to develop a method that is superior to all others. I cure without surgery and my patients are never confined in bed and never lose a moment's time from their business.

With my method I absorb pile tumors by medication, applied (or driven in,) by a mild electric current. The piles are absorbed in a few treatments, leaving the rectum in a healthy, normal condition. There is no danger, no bad after effects and no pain or soreness.

My method is not a "home cure" or a "correspondence treatment," but it is an application of skilled treatment administered by me in my office.

If you are a sufferer from rectal trouble, I invite you to investigate my method thoroughly by talking or writing to me and getting my name and address of many well-known Los Angeles people I have cured, whom you may interview in regard to my treatment.

I TREAT NO DISEASES EXCEPT THOSE OF THE RECTUM AND BOWELS

WELL KNOWN DENTIST CURED  
For twenty years I suffered with a severe rectal trouble which was caused by being almost constantly on my feet. The pain from this affliction has at times incapacitated me from professional duties. Dr. C. H. White, with his dissolvent method, has entirely cured me and I am as well as I ever was in my life. I desire to say to all sufferers that Dr. White is a skillful physician and is doing grand good work for humanity in the curing of diseases of the lower bowel.

PROMINENT SANTA MONICA MINISTER CURED

This is to certify that Dr. C. H. White has cured me of a distressing hemorrhoidal ailment of 25 years duration. His method of treatment is effective but not severe. He has the appliances, the knowledge and skill born of many years of specializing in this fruitful source of physical distress. He accomplishes all he claims in his advertising and at reasonable expense. I take pleasure in heartily commending the man and his methods.

### NOTICE INVITING BIDS

Santa Ana, Cal., April 2, 1913.

In pursuance of a resolution of the Board of Supervisors of the County of Orange, Cal., adopted April 2, 1913, directing that the said Board receive at its offices at the County House at Santa Ana, at or before the hour of 11 o'clock a. m., of April 15th, 1913, sealed bids or proposals for constructing a combination Highway Bridge 289.9 feet long across the Santa Ana River, three miles easterly from Huntington Beach.

Bids must be made on the form provided for the purpose, addressed to the Board of Supervisors, Orange County, Cal., and marked "Bid for Myers Road Bridge."

The bid must further conform to the requirements of the "Instructions to Bidders" on file in said office.

The said work must be done in strict conformity with plans and specifications therefor, which said plans and specifications were adopted by the Board of Supervisors of said County on April 2, 1913, and are on file in the office of said Board. Reference is hereby made to the said plans and specifications for full particulars and descriptions of the said work. Copies will be furnished intending bidders upon application to the County Surveyor of said County.

Each bidder must submit with his proposal a satisfactory bond or check certified by a responsible bank and payable to the order of the County of Orange, for an amount not less than ten (10) per cent of the aggregate sum of the bid, as a guarantee that the bidder will enter into the proposed contract if the same is awarded to him.

The amount of the bond to be given to secure a faithful performance of the contract for said work shall be 25 per cent of the contract price thereof, and an additional bond in an amount equal to 50 per cent of the contract price for the said work shall be given to secure the payment of claims for and satisfaction of supplies furnished for the performance of the work contracted to be done by the Contractor or any work or labor of any kind done thereon.

The Board of Supervisors reserves the right to reject any and all bids.

By order of the Board of Supervisors of the County of Orange, State of California.

W. B. WILLIAMS, County Clerk.

### NOTICE INVITING STREET WORK PROPOSALS

Pursuant to statute and Resolution No. 556 of the Board of Trustees of the City of Santa Ana, passed and adopted the 31st day of March, 1913, directing this Board, said Board of Trustees, to receive sealed proposals or bids for the following street work, to be done according to the plans and specifications for said work, posted and on file, to-wit:

To construct sewers in a connected system of sewers in a district within the corporate limits of the City of Santa Ana, hereinafter described, upon the following streets, to-wit:

The center line of Orange Ave., from the center line of McFadden St., to the center line of Myrtle St.

The center line of Cypress Ave., from the center line of McFadden St., to the center line of Myrtle St.

The center line of South Main St., from the center line of Fairview Ave., to the center line of Myrtle St.

The center line of South Sycamore St., from the center line of Fairview Ave., to the center line of West Canine St.

The center line of South Broadway, from the center line of Fairview Ave., to the center line of West Canine St.

The center line of South Birch St., from the center line of Fairview Ave., to 200 ft. North of West Canine St.

The center line of South Magnolia Ave., from the center line of Fairview Ave., to the center line of West Canine St., produced West.

The center line of South Flower St., from the center line of Fairview Ave., to 200 ft. North of West Canine St., produced West.

The sewer on South Shelton St., to be laid 26 ft. West of the East line of South Shelton St., to the center of Highland St.

The center line of South Bishop St., from the center line of West Bishop St., to 20 ft. West of the East line of South Shelton St., to 250 ft. West of South Shelton St.

The center line of Highland St., from the center line of South Bishop St., to 250 ft. West of South Flower St.

The center line of Cabron St., from a point 25 ft. East of the West line of South Shelton St., to the center line of South Bristol St.

There shall be placed in position on the sewer lines to be constructed at points indicated on the plans 6x4 Y's.

In addition to Y's above mentioned there shall be 4 service pipe connections made to the sewers previously constructed by the City of Santa Ana, and at right angles to the main line, as follows:

8 to be located on South Bristol St., between Fairview Ave., and a point 1/2 mile North, 25 ft. Fairview Ave., between South Bristol St., and South Main St., 12 ft. on South Main St., between Fairview Ave., and McFadden St., and 2 on McFadden St., between South Main St. and Orange Ave.

These service connections shall be made of 4 inch vitrified sewer pipe, firmly secured in 45 degree position over openings made in sewer mains securely cemented with a cement grout as used for making sewer pipe joints.

All of said work is within the district hereinafter described. Said sewers to be of vitrified salt glazed sewer pipe including manholes, flush tanks, Y branch connections, excavation and work required for said connected sewer system within said district, according to the plans and specifications for said sewers and work on file in the office of the City Engineer, to which reference is hereby made, for a more particular description of said work.

Said district, within which said connected sewer system is to be constructed, is within the City of Santa Ana, in the County of Orange, State of California, and is particularly bounded and described as follows, to-wit:

Commencing at the Northeast corner of Lot 1, Block "B," Town of Santa Ana, Section 1, thence West 110 ft., thence Northwest to the center of Myrtle St., thence East along the center line of Myrtle St., thence South along the center line of Myrtle St., thence North 75 ft., thence West along the South line of Palmer Addition as shown on map recorded in Book 24 on page 87 of Miscellaneous Records of Los Angeles County, California, to the Southwest corner of said Palmer Addition; thence West to a point on the North line of Lot 1, Plaza Rancho, 150 ft. West of the West line of South Bristol St., thence South parallel and 150 ft. West of the West line of South Bristol St., to the South line of Lot 2, Plaza Rancho; thence East 150 ft., thence South along the City limits to a point 180 ft. South of the center line of Fairview Ave., thence East parallel to Fairview Ave., to a point 187 ft. West of the East line of Section 13, T. 5 S., R. 10 W., S. B. B. & M., thence South to a point 170 ft. South of the center line of McFadden St., produced West, thence East parallel to McFadden St., to a point 180 ft. East of the center line of Orange Ave., produced South; thence North parallel to the East line of Orange Ave., to the East line of Orange Ave., and 15 ft. East therefrom to the place of beginning, saving, excepting and excluding from said district for assessments and public streets, avenues, lanes, alleys, courts and places therein included and contained. The lands of the Santa Ana School District shall be omitted from assessment and the cost of the work in front of them shall be paid by the owners of the remaining lots and land in said sewer district.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, entitled "An Act to provide for work upon Streets, Lanes, Alleys, Courts, Places, and Sidewalks and for the construction of Sewers within Municipalities," approved March 18, 1885, and the several Acts amendatory thereof, or supplementary thereto, also in accordance with the plans and specifications made therefor by the City Engineer of said City of Santa Ana and adopted by said Board of Trustees as the plans and specifications according to which said work shall be done.

Said streets referred to are public streets of said City of Santa Ana, California.

Said sealed proposals or bids are to be delivered to the undersigned City Clerk of said City and Clerk of said Board of Trustees at his office in the City Hall of said City of Santa Ana, on or before 5 o'clock p. m., on April 21st, 1913.

Bidders must file with each proposal or bid either a check payable to the order of the President of the Board of Trustees of said City, certified by a responsible bank, for an amount which shall not be less than 10 per cent of the amount of the proposal, or else a bond for said amount, and payable, as aforesaid, signed by the bidder, and by two sureties who shall justify before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions.

Office of the City Clerk of the City of Santa Ana, City Hall, April 4th, 1913.

Sealed by J. C. BURKE, City Clerk and ex-officio Clerk of the Board of Trustees of the City of Santa Ana, California.

## RAPID PROGRESS IS MADE ON P.E. DOUBLE TRACKING

The Pacific Electric Railway Company commenced clearing off its right-of-way last week for extending its double track between Stanton and Santa Ana, says the Stanton Optimist.

The work at this end of the system will require very little grading, cutting or filling, and rapid headway is being made.

A large crew of men with teams are camped at Cordon Station and the work is progressing in close proximity to Garden Grove.

This awakening on the part of the railroad company presages the beginning of a general campaign of improvements which is to be inaugurated throughout Orange county and it is being rumored that the Anaheim-Huntington Beach branch of the S. P. is to be electrified before the campaign of electrical improvements is ended.

The company contemplates putting up a small waiting room for the accommodation of passengers at Stanton and later on this is to be replaced by a first-class depot building with freight and express rooms and a ticket office, all of which will be in charge of an agent.

Much of Stanton's shipping is being sent over the Santa Fe and S. P. at Anaheim on account of there being no arrangements here whereby products can be cared for. As it is now, anyone desiring to ship anything of a perishable nature from Stanton is compelled to deliver his freight or express at the shipping shed and remain with his consignment until the freight or express car comes to take it. This is very unsatisfactory to the shipper and does not tend to build up the company's business here, and the sooner the railroad people realize the importance of building a station commensurate with the business here the better it will be for all parties concerned.

Della Clarke in "Introduce Me"

## AMUSEMENTS

"Always leave them laughing when you say good-bye" is the motto of Della Clarke, the author and playwright whose latest comedy success, "Introduce Me," will be seen at the Grand Opera House tonight. Give the people a bright, wholesome and happy-hearted play and they will be your best advertisement, is the way this young author puts it.

Find the audience that has left a theater after going through an evening of troublesome seriousness or mawkish sentiment that is employed to create sympathy for some soiled heroine, she said, "and I will show you an audience that will not lose its breath hurrying to see that same play the next season. The people want to be made happy and be entertained. They do not want to go to the theater to figure out problems or watch them figured out. They want to laugh and have gladness put into their lives."

**"Hoity Toity"**  
All good things must come to an end, and at last, after thirty weeks of laugh making at the Savoy in San Francisco, Kolb and Dill have ended the most successful engagement ever played at the place that is now known as their home.

The German comedians rejoined hands last St. Patrick's Day and just one year later announce a tour of the Pacific coast, playing at the Grand Opera House on Wednesday, April 9.

Nothing could be better or more appropriate for Kolb and Dill's road tour than a revival of "Hoity Toity." This merry jumble of cheerful nonsense was first presented by them with great success ten years ago and today there indicates that the piece is funnier in every particular than ever before. They are ably abetted in their Teutonic methods by Harrison Green, who plays the third of the individuals to corner the sauerkraut market under the name of Frederick Schmitzel. Their banking scene, in which Dill is given some extraordinary lessons in high finance, is about the funniest thing ever seen on the local stage.

Their poker game with Violet Seaton as the fourth player is another episode that spells laughter and when Kolb seriously announces that there is cheating going on, but he will not mention the lady's name, there is excitement in plenty. The role of Lady Grafton fits Miss Seaton to a nicety and the opening song on the boulevard introduces her in capital style. Clarence Lydon as Mr. Hunter takes his part well and gives a splendid rendition to his energetic role. The chorus has much to do and does it well, while the costumes and entire production are the highest standard of perfection.

If you continually complain of pains in the stomach, your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. T. Alston, of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you, too. Only 50c and \$1.00. ## News From Santa Ana Schools

Reported by Students

### JEFFERSON SCHOOL

[By Wilbur Harper]  
There will be a track meet between this school and the First Street school at Lincoln park next Friday afternoon. The regular meeting of the Parent-Teacher's Association was held Wednesday afternoon.

Mr. George L. Hess, president of the Hess Fume Company, visited this school Wednesday. Miss Ruth Larson, kindergarten director of this school, was one of his pupils in Minnesota.

The sixth grade will give a class debate this (Wednesday) afternoon on the following subject: Resolved, that the sword is a greater invention than the plow.

The third grade room is decorated with colored drawings pinned upon the wall. These drawings are a little advanced for the third grade, but nevertheless they are life-like. Most of them are drawings of fruit blossoms. Their penmanship work is also on exhibition. They are learning the free-arm movement method under the careful supervision of Professor Whiteley of the Commercial High School.

The beans of the school's garden are unfolding their green leaves above the ground, much to the delight of the children, and a number of other vegetables are now visible.

### GARDEN GROVE SCHOOL

[By LaRue Reeves]  
The eighth grade went on a hay ride to the canyon Saturday, March 2nd. A good time was reported by all.

The seventh grade had a wienie bake after school Friday afternoon, March 28th.

Some ground has been made into a tennis court, and the teachers and students are now playing tennis. Miss Bemis, Miss Harmon, and Miss Wells are the best players.

## LOS ANGELES PRODUCE MARKET

A consignment of tomatoes via water is expected from Mexico about April 10. None has been received from Florida the last few days. Those on the market are quoted \$2.50 a crate. The Mexican shipment is expected to be very large. Revolutionary troubles have not damaged the crop. Hothouse cucumbers move rather slowly at \$1.25 to \$2 a box. Local rhubarb is still in evidence at around \$1 to \$2 a box. The northern crop is improving, but prices remain about the same. Asparagus still continues plentiful at about the same prices as have prevailed. New potatoes are quoted at about \$2.25 a lug, but do not move very well. Dried pink beans are quoted a little lower in some instances.

A shipment of loquats was received. The fancy fruit brought about 12 cents a pound. Occasionally shipments of strawberries are received. Apple receipts were heavy. The market remains easy.

Butter declined 1½ cents. The retail price should soon be down to 30 cents a pound if the falling off continues as expected. Eggs and cheese were about the same.

Poultry still continues firm, and the outlook is for a small advance soon. Reported receipts were: Eggs, 942 cases; butter, 33,250 pounds; cheese, 9782 pounds; potatoes, 3570 sacks; sweets, five sacks; apples, 22½/23½; EGGS—Ranch, candied, 22½/23½; fresh ranch, case count, buying price, 20½; Petaluma-Santa Rosa extras, 21½/22; northern, case count, 16½/19. BUTTER—Buying prices: Creamery extras, 29½ per lb. Prices to the trade are about 3 cents above these quotations.

### CENTRALIA SCHOOL

#### CENTRALIA IS VICTORIOUS

The Centralia boys showed their ability along baseball lines last Friday when they triumphed over the Buena Park baseball team by a score of 32 to 10.

The second team, also, has good material. They walked off with a score of 18 to 11.

Centralia's gardens are doing nicely, although one of the gardeners has had a case of measles.

### ENCOURAGING THE STUDY OF CIVICS

It was the customary thought, not so many years ago, that the adolescent youth could not "be a man" until he had cast his first vote. Conversely, it was true that a man's civic interest did not begin until that time. Citizenship was, in most cases, a duty which was not accepted until the voting age had been reached. It was not strange, therefore, that it should come to be recognized also as a duty worthy of serious attention only at campaign times.

At present, the privilege of voting is still a "man's work." But it is more and more desirable that a man shall be fully qualified for the task when it is legally thrust upon him. To this end civics is finding its place in the schools. It is being taught, either as part of the course or incidentally, and students are encouraged to inquire into the methods of government and the practical results thereof.

This need of intelligent equipment for the duties of citizenship is clearly recognized by the National Municipal League, one of the foremost agencies for civic progress. In order to encourage the interest of undergraduates and high school students in the various phases of government, the League conducts two essay contests yearly. Substantial prizes are offered for the best essays on some subject intimately connected with local government.

For the William H. Baldwin prize, consisting of two parallel prizes of \$50 each, college and university students are invited to compete. The subject suggested is, "The Best Sources of City Revenue." High school students of either sex are entitled to take part in the other essay contest, for which one prize of \$30 and another of \$20 are offered. These essayists will discuss "The Milk Supply in My City."

Obviously, the essayists will find it essential to successful writing to know their subject. This will lead them naturally into research of the most practical kind, and in many instances it will stimulate an interest in our government that could not be gained otherwise.

These contests deserve the attention of all school authorities, and it is our desire to emphasize the very practical object which the National Municipal League has in view in fostering a competitive study of some phase of the question of practical civics.

### SOURCES OF TAXATION

"Aside from franchise taxes and assessments for local improvements, the main source of revenue for the city budget is taxation of real property. Every effort should be made to free this kind of property from taxation by other jurisdictions, such as the state and the county, and reserve it wholly for the municipality.

"Real estate is the logical subject of local taxation because the expenditures of the budget are immediately reflected in the increased value of real estate and because the great value of the site of the city is due to the presence and enterprise of the city population. With full value assessments a moderate tax rate will produce an amount to satisfy a budget made up economically and yet with due regard to the increasing municipal activities.

"Taxes on personal property and all business licenses tend to drive business away or to interfere with its growth and hence to retard the city.

"The main burden of local taxation now rests upon real estate and the tendency is rather to increase than to diminish this proportion. Hence the use of improved methods of assessment is imperative. Accurate, scientific methods are possible and should be introduced, to aid the assessor and protect the taxpayer."—Edward L. Heydecker, Assistant Tax Commissioner of New York City and Chairman of the Committee on the Estate Assessment of the National Municipal League on "Sources of Municipal Revenue."

### Coughs and Consumption

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living today." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by all druggists.—Advertisement.

## FAITHFUL PRIEST RETIRES

Father Stoeters Will Go to Switzerland In Hope of Regaining Lost Health

Rev. Fr. P. Stoeters left Thursday for the first part of his long journey to Switzerland. He will stop en route to New York in San Francisco, St. Louis and New Orleans.

Father Stoeters has for the past ten years been the faithful pastor of St. Joseph's Catholic Church, having been here and in Anaheim for more than a quarter of a century, the greater part of the time serving these parishes.

His health has failed and he goes to Lucerne, Switzerland, where he will remain in a sanitarium, perhaps for a year.

Before his departure, the priest, grown gray in the service of the Lord, was presented with a substantial purse as a token of appreciation from his parishioners, many of whom, together with their children, were baptized by the pastor.

Rev. Fr. Henry Emmuelen, pastor of the church of National City, has been assigned this parish and is now in charge. He is well known among his people here, where he spent many years of his life, before entering the priesthood.

## Titchenal-Tratt

A wedding of interest that took place in Los Angeles today was that of Miss Iva Tratt, former chief operator of the local office of the Pacific Telephone & Telegraph company, and Leon Titchenal, county wire chief for the same company, who slipped away from their friends this morning on their romantic errand to the city.

Mr. and Mrs. Titchenal will reside at 409 South Sycamore street on their return to Santa Ana, where they will receive congratulations and good wishes from their friends.

## House Party at Hill Home

Misses Emily Jameson of Corona, Margery Lord of Alhambra and Esther Hedstrom of Anaheim are the house guests of Misses Lucy and Nellie Hill for the week end. They were all classmates of the hostess last year at Redlands University and are here especially for the baseball game between the Varsity team and Santa Ana this afternoon.

## Cleo Club Party

The Cleo Club was pleasantly entertained with a party at the John Sebastian home on North Bristol street, Thursday evening. The lawn, beautifully lighted with Jack-o-lanterns, afforded a fine place for out-of-door sports. The interior of the home was decorated with roses and ferns.

Music and guessing contests were among the features of the pleasant evening. Miss Pearl Richards winning a little "man on wheels" as first prize in a guessing contest.

Refreshments served at a late hour, consisted of brick ice cream and delicious home made cake.

## Lively Debate for "Y" Meeting

The April meeting of the Santa Ana "Y" is scheduled for next Monday night at the home of Miss Marie Harris, 636 Van Ness avenue. A debate that is likely to be unusually lively will be held on the subject: Resolved that girls are equally responsible with boys for the prevailing use of tobacco.

The affirmative side of the question will be taken care of by Ralph Jayne and Eleanor Egge, with Maurice McElree and Corinne Burns supporting the negative.

Special music and a social hour will complete the meeting which is expected to be one of the most interesting of recent months. All young people are cordially invited to be present and join in the pleasures of the meeting.

## Grubbs-Hawkins

Announcements have been received here of the marriage in Columbus, Kas. of Miss Ruth C. Hawkins to Eyrle Vance Grubbs. The wedding occurred on April 1. The couple will live at West Mineral, Kas. The bride lived here for about a year, with her cousins, Misses Myrtle and Gladys Hawkins, and made many friends while here by her pleasing personality.

## DELIGHTFUL PARTIES

Samuel W. Nau Home at Tustin Opened for Afternoon and Evening Functions

Yesterday Mrs. Samuel W. Nau was hostess at two charming parties, the spacious Tustin home being beautifully decorated for the events with pink peonies, calla lilies and greenery. The gorgeous peonies were particularly admired. They as well as the stately lilies and the masses of ferns were from the Nau gardens which are in bloom just now with the floral beauties.

Mrs. Nau was assisted in receiving and entertaining at both the afternoon event and the evening party following by Mrs. C. P. Boyer, Mrs. Henry Nau, Mrs. Zaiser, and her house guests, Miss Harriet Preble, Miss Josephine Preble and Boyd Preble. For both of the delightful functions whist was offered as the entertainment.

The prize winners of the afternoon were Mrs. A. J. Padgham, who took first prize for high score; Mrs. John Tubbs, second prize; Mrs. Arthur Lyon, third prize, and Mrs. O. K. Forgy, fourth prize. The guest list for the afternoon included Mesdames O. K. Forgy, Russell Scott, A. J. Padgham, John W. Tubbs, John Wehrly, Chas. Kelley, H. G. Hull, Robert Reid, O. P. Crozier, J. P. Baumgartner, W. ## Lippiatt-Ridge

The following announcement of the marriage of a Santa Ana is taken from a Pasadena exchange, and will be of interest to the local friends of the bridegroom:

"A very pretty wedding service was solemnized at All Saints' Episcopal church Wednesday morning at 11 o'clock, when Miss Florence Ridge of Pasadena and Lionel Lippiatt of Santa Ana, were united in marriage. Rev. Leslie E. Learned officiated at the service.

"The church was decorated with pink and white carnations. The bride entered the church on the arm of Harry Collins, brother-in-law of the groom. Miss Louise Lippiatt, sister of the groom, acted as bridesmaid, and Leonard W. Collins as best man. A Harold Gleason played the wedding music.

"After the ceremony the bridal party went to the home of Mr. and Mrs. Harry Collins, 716 Herkimer street, where a wedding breakfast was served. The home was very prettily decorated with ivy. Many beautiful and useful gifts were received.

"The guests included Mr. and Mrs. Lippiatt, parents of the groom; Miss Marion Jacobs, Miss Clarie Collins, Miss Louise Lippiatt, Miss Clara Bamford; Messrs. Alfred Jacobs, Harry and Leslie Lippiatt, Hugh Jacobs, William Collins.

"Mr. and Mrs. Lippiatt will make their home at Corona."

## THE "DEESTRICK SKULE"

Spurgeon Street School Mothers Successfully Presented Amusing Playlet

The "Deestrick Skule"—the school of fifty years ago—as staged last night in the auditorium of the beautiful new Spurgeon grammar school on South Broadway proved to be a scream. From the time the "skule ma'am" rang the old tin bell for the opening of the morning lessons to the singing of "School days" by the whole "class" the audience was kept in continual uproar.

The "Skule" was given by the mothers of the Parent-Teacher's association of Spurgeon school, for the purpose of raising funds with which pictures and various decorations could be provided for the school rooms. The general public responded generously, the new auditorium being filled to overflowing, the generous sum of \$51.10 being realized, which, considering the small price of admission, was a remarkable result.

Prof. J. A. Cranston in opening the evening's entertainment expressed his delight and appreciation at seeing so many people filling the new auditorium at its first public opening. He said that he liked to see the school buildings used for such occasions as this and wanted the schools to be real social centers of the community.

"Tang-tang-tang-tang," the old "skule bell" sounded, and into the "class room" filed the "children," dressed in all their "best" clothes, and carrying a miscellaneous assortment of pails and baskets of "lunch," with radishes and apples forming prominent items of the menu. The "lunches" with which the "boys" were supplied were practically eaten up when time for recess came, they taking advantage of the chance to take a bite whenever the teacher's back was turned.

When all were seated and the confusion and noise ceased the "teacher" commenced calling the roll. One small (?) girl led her little brother to the teacher's desk, announcing that to be his first day in "skule." She took occasion to point out to the teacher and class his spick and span new shoes, tied with red ribbons. New shoes?—the "children" were indeed curious to see them. Well, if you had seen those "children" stare at those shoes, you would have laughed, too. Some of the excuses put forth for some of the absent and late ones were realistic as well as funny. For example: "Please, ma'am, he had to stay home an 'elp wash today." "She's got the measles, ma'am." While roll was being called, gum-chewing was a prominent indulgence of the "class" and the various antics of the "boys" kept the audience, especially the younger children, in an uproar.

The class then sang "Three Blind Mice" in sections, the tones blending (?) beautifully and the words were distinctly (?) pronounced, after which the readin', spellin' and "geography" classes were in turn brought out in front to recite.

The spellin' class indeed did remarkably well, some even being able to spell needle, beetle, cat and other such difficult words, while the readin' class rather provoked the "teacher" because some would read too fast, others too softly for the class to hear. She repeatedly had to correct and chastise them.

The "geography" class proved very bright indeed, one student enlightening the class with the fact that the Santa Ana river was the largest river in North America, while another student led the class know how intelligent she was by announcing that Watts was the capital of the U. S.

While the recitin' of the various classes was proceeding, those in the seats were performing all kinds of stunts, the "boys" teasing the "girls" and eating radishes and apples, and the "girls" chewing gum and throwing spit-balls at the teacher and the "kids" in the classes.

"Lunch" recess was a gay period, most of them eating their lunches in the school room. Then the children were indeed happy. Swapping bites of good things to eat was a favorite pastime. The chatter and noise! Oh, my, it was as if Bedlam had been let loose until the unwelcome call of the old tin bell in the hands of the "skule ma'am" called them to order.

This was the last day at school preparatory to enjoying vacation, so the "skule" committee and parents of the children were invited to hear them read their compositions and speak their pieces.

The afternoon session, like the morning, was exceedingly funny. The peace and harmony of the class was disrupted when Mrs. Honeyuckle was announced. Cries of "Hello, Ma!" and "There's my ma," issued from her loved 'uns. Mrs. Honeyuckle launched upon a string of excuses for not being able to visit the "skule" sooner, proceeding with her incessant chatter like a buzz-saw until the "class" shuffled their feet and groaned and "hoped to goodness she'd shut up."

A number of the "skule" committee then said a few words thanking the teacher for her splendid success with the class and incidentally praising the pupils for their "smartness," shown by the answers to some of the committee's questions. After the giving away of the presents to the

children, the mothers presented a program of songs and recitations, which were well received by the audience. The program of the coming meeting will be given later.

## Veteran Rebekahs

The Veteran Rebekahs had an interesting meeting at the home of Miss Maude Powers, 336 East Pine street. Miss Powers was assisted in entertaining by Mrs. Belle Rogers and Mrs. Martha Ritchie.

The decorations and refreshments were in keeping with the colors of the order.

Those present were Mesdames Anderson, Bowers, Earhart, Findsen, Hacks, Holt, Lacy, Mitchell, Paul, Rogers, Ritchie, Liebig, Powers, Matters concerning the Grand Lodge which meets in May in Los Angeles were discussed.

## Easterners Buy Quick Home

Mr. and Mrs. Peter Van Dorn, of Canton, Ill., have purchased the beautiful home of Mr. and Mrs. J. G. Quick on East Fourth street and will make it their permanent home. The Van Dorns with their little daughter have spent the past three winters on the Pacific coast, mostly in California, and have looked over localities from Portland, Oregon, to San Diego, Cal., with a view to finding just the sort of home they wanted. They have been in Santa Ana for a month past and are delighted with the city. After they

decided that Santa Ana was to be their abiding place, they began the search for a home and when the Quick residence was seen they soon knew their home was found. Negotiations were ended with the purchase of the hand-ome property.

The Van Dorns will return to Canton to close up their affairs preparatory to coming back in August, when the Quicks will yield the home to them. Mr. Quick and Mrs. Van Dorn were schoolmates in Illinois and renewed acquaintance on the arrival in Santa Ana of the Van Dorns.

Mr. and Mrs. Quick have not yet settled on their plans but will of course remain in Santa Ana, with which they are thoroughly identified.

## Birthday Event

A merry birthday party was enjoyed last night by the high school classmates of Miss Olive Lopez, they being her guests at a party celebrating her 15th birthday. The Lopez home on Tenth street was tastefully decorated in a red and white color scheme, crepe paper, school pennants and lovely roses being employed. A can-op effect was one of the features of the decorations.

Graphophone music was a pleasing accompaniment to the merry games that amused the gay young people. Delicious refreshments closed the successful party which was marked by good wishes for the young hostess of the evening.

Those joining in the birthday celebration were Misses Esther Squires, Harriet Squires, Esther Zimmerman, Pansy Kingsbury, Fannie Kingsbury, Ethel Rodger, Adeline Keefe, Eva Stearns, Gladys Stearns, Martha Williams, Mariana Drew, Mabel Drew, Cecil Fross, Messrs. Jimmie Livesey, Edson Hendrickson, Cyril Parker, George Krock, Fred Robinson, Lemar Melton, Orton Jenkins, Chester Clark, Tom Willets, Edmund Keefe, Clarence Grigsby, Clyde Fernald, Stanley Mansur, Charles Fahey.

## Philathea Banquet

Last evening the Philathea girls of Spurgeon Memorial M. E. Church South enjoyed their inaugural banquet in the dining room of the church, the Junior Philathea girls serving. About thirty of the girls were present. Quite a number of splendid toasts were given with Miss Maud Jones as toastmistress. After the toasts, the girls sang the "Song of the Church." The song was then sung and all departed declaring it to be one of the most enjoyable affairs in the history of the class.

## Junior Auxiliary Social

The Junior Auxiliary of the Church of the Messiah had a successful evening in the Parish hall last night, rendering a very interesting mission play. The different mission fields of the church, China, Japan, Alaska and Philippines, represented as the "Spirit of Missions" by children, dressed in white with stars and crowns, as a part of the settings. The children rendered their parts beautifully and won much praise and a considerable sum was realized from the silver offerings for the Children's Mission fund. Refreshments were served and a pleasant social evening enjoyed by all.

## Missionary Meeting

The women of the Missionary Society of the M. E. Church, South, held their regular monthly business meeting on Friday in the church parlor, the president in charge. The devotional half hour was spent in each one giving memory texts in harmony with their various experiences. Good reports were given.

## May Come Back

Mrs. W. W. Wood and Little son, Rodney, who were among the army of Easterners spending the winter in California and who favored Santa Ana with a goodly portion of their time in the "Land of Sunshine," will leave in a few days for their home at Spearfish, South Dakota. Mr. Wood having preceded them home by about a month. While in Southern California the Woods made several realty investments which will doubtless prove a lodestone in drawing them back here for permanent residence.

## San Gabriel Their Goal

H. C. Humphrey, accompanied by his daughter, Miss Jane Humphrey, and a party of friends left this morning for an all-day motor trip around Pasadena and San Gabriel. The party left here before noon in the Humphreys' handsome new "Cadillac," planning to spend several hours in pleasure driving and to arrive at San Gabriel in time to witness the matinee performance of the increasingly popular Mission Play. Those enjoying the happy affair aside from Mr. and Miss Humphrey were Misses Jeannette McFadden, Sallie Garland and Elizabeth Perkins and Mr. P. A. Robinson.

### TRIANGLE BANNER FOR TUSTIN BOYS

Sixth Grade Boys Win County League Contest—Praised By Sec. Hamilton

Some time ago the Orange County Y. M. C. A. organized a Triangle League of athletics for the boys and playground games for the girls in the county grammar schools. In connection with this they inaugurated a contest in which the W. C. T. U. and chamber of commerce were asked to furnish a banner to be presented to the boys of the grade showing the best results along certain lines of athletics, the contest to be conducted under the jurisdiction of the county Y. M. C. A. The final test was made the early part of the week and on Wednesday afternoon Mr. Hamilton, county secretary of the Y. M. C. A. came out to Tustin school and presented the boys of the sixth grade with a banner which showed them to be champions of the grade A pull-out contest. The sixth grade boys are Horace Shafer, Monroe Sharpless, Elmer Williamson, Olin Hatfield, Clarence Rawlings and Dwight Kenyon. Mr. Hamilton gave them quite an encouraging talk when all were gathered in the assembly room and complimented them on being the sixth grade champions of the county. Later all the members of the Triangle League with their teachers adjourned to the school grounds and had their picture taken.

The banner is a very handsome one of yellow and green felt and the important matter of hanging it in the sixth grade room, with the assistance of their teacher, Miss Ethel Doherty, was accomplished later in the evening.

Another picture was taken at the school grounds the other day of the eighth grade by a Los Angeles photographer. These boys and girls are the ones who will graduate at the end of this term.

#### New School House

Circular letters have been sent out to all in the Tustin school district setting forth the needs of a new school house and equipment. It is hoped that everyone will take the matter under serious consideration. Later representatives of the movement will be sent to see these people and endeavor to get an expression of opinion on the subject as to whether anything shall be done in that direction in the near future.

The regular annual school district meeting was held at the school yesterday afternoon (Friday), at which an election of one trustee was held.

At the close of the business meeting Mrs. Ellen Blair, W. C. T. U. lecturer and former national superintendent of the L. T. L. spoke to the school children.

An examination of the school gardens shows them in fine condition. The children are eating radishes, lettuce and other vegetables from their gardens and some of them have flowers in bloom.

### ANNUAL MEETING OF CHURCH PEOPLE

Local Presbyterians Held Gala Event; Heard Favorable Reports of Year's Progress

Last Tuesday night the annual congregational meeting of the Presbyterian church was held in the church at 7:30, preceded by a supper served by the women of the church under the auspices of the Aid Society. The supper was served at 6 o'clock.

The women had been busy for several days and by 5:30 in the afternoon two tables had been prepared, each the length of the Sunday School room, decorated with pink roses and feathery white flowers. Upon these tables had been spread a bountiful supper. Some of the good things were roast beef, boiled ham and meat loaves. An abundance of salad dishes trimmed with parsley, lettuce and nasturtium petals supplied the vegetable requirements and served also to make the tables look beautiful and tempting. Relishes, rolls and coffee and a large number of delicious cakes were on hand to be served with sliced bananas and oranges for dessert.

All the members of the church and congregation had been invited and the tables were filled to overflowing twice and a half again. The idea was to give anyone who attended a bountiful supper and the good things were more than sufficient.

After the supper was over everyone adjourned to the main auditorium of the church to hear the annual reports of the different departments of church work for the year.

By a different arrangement of seats for the special occasion, a large space was left in the middle of the room for some floral decorations on a central table and when those in attendance were seated on the sides the scene was an attractive one.

The meeting was called to order and Rev. E. W. Blew was appointed chairman, who requested Rev. R. B. Shannon (pastor of the Advent Christian church, a guest of the evening) to open the meeting with prayer. Mr. Shannon responded to the request in a very impressive manner.

Minutes of a similar meeting held last year being called for they were read by J. A. Dort, clerk of the session, and were approved.

The report of the secretary of the Sunday School for the Senior department read by Miss Wilhelmina Bennett showed the Sunday School in a very prosperous and growing condition.

Report of the primary department of Sunday School was read by A. E. Bennett. At the close of his report Mr. Bennett said the primary department had reached its limit in its present quarters and that in order to advance a step further, additional room would be needed. He asked the church boards and societies to take this necessity into consideration in planning the work for the coming year.

Report of the treasurer read by E. J. Cranston showed all bills paid, including one month ahead on the pastor's salary and a balance in the treasury.

Then followed a re-election of the board of trustees, consisting of the following gentlemen: A. E. Bennett, A. Thorman, W. L. Leiby, J. A. Dort, Chas. White, Fred Currier and A. D. Turner. E. J. Cranston was re-elected treasurer.

For the Ladies' Aid Society Mrs. W. L. Leiby read the treasurer's report and Mrs. S. E. Tingley the secretary's report. The reports showed all the work planned for the year carried out in full and a balance in the treasury.

Report of the Missionary Society was read by Mrs. G. W. Pollard, showing all the money which had been pledged for different work paid and more than a double amount sent to the Spanish school in Los Angeles.

The report of the Home department was read by Mrs. Chas. Eells showing good enrollment in that department. The former superintendent, Mrs. Taylor, having resigned, the superintendent of the Home department will be taken up in connection with the W. B. B. class and the work attended to by the president of the class, Mrs. Marshall, assisted by the teacher, Mrs. Eells.

All business attended to the meeting adjourned.

#### TUSTIN PERSONALS

Horace Stevens is up and out, having recovered from his illness of several days duration.

Misses Josie and Hattie Preble of Los Angeles are visiting Mrs. Samuel W. Nau.

Mr. Sherman Stevens has just returned from a fishing trip in Ventura county, bringing back a fine trout measuring thirty-one inches.

C. E. Utt and A. E. Bennett took a trip last Wednesday to San Juan Hot Springs.

D. L. McCharles and Mrs. Ed. Culver attended the Pythian Sisters convention at Los Angeles Thursday.

Miss Ruth Jordan of Los Angeles is visiting her grandmother, Mrs. A. Sheddon.

Mrs. Pearl Malcolm and Mrs. Lucile DeSpain of Anaheim spent the day with Mrs. G. W. Pollard Wednesday.

Mrs. L. A. Cock went to Los Angeles Wednesday morning.

Victor Grise left Thursday morning for a trip through northern California to San Francisco.

Mrs. D. L. McCharles and Mrs. Ed. Culver attended the Pythian Sisters convention at Los Angeles Thursday.

Mrs. C. O. Artz has a good many relatives and friends at Logansport, Ind., who are in the flood district, though all who have been heard from have escaped without loss of life, one party having been rescued in rowboats from a second story window.

### TUSTIN PACKERS MAKE SHIPMENTS

Citrus Fruit Finds Good Market; Freight Shipments Show Increase

The Tustin Hill Fruit Association has shipped during the month of March about one car of fruit daily. The management estimates that it will ship about eighty per cent of last season's total, and also reports a very good market for good fruit and also an excellent market for fruit that has been only slightly frozen.

The Tustin Lemon Association shipped about eight carloads of lemons during the month of March.

The local freight at the Southern Pacific depot for the first quarter just ended was one-third heavier than for the same time last year.

The Tustin Packing Co. shipped three carloads of oranges this week, and ten carloads during the month of March.

Haven & Co. shipped 215 lbs. of choice vegetables to New York last week to be exhibited at a flower show. These vegetables were gathered at Villa Park and vicinity.

#### SOCIETY AND CLUBS

Teachers Back From Vacation  
Last Sunday evening all the teachers met at Santa Ana returning to Tustin together from various directions where they spent their Easter vacation. All were rested and very much benefited and entered the school Monday morning with renewed energy.

Miss Lida Turner came from Los Angeles, Miss Hunter from Redlands, Miss Olive Doherty from San Diego, Miss Ethel Doherty and Miss Louise Long from Balboa. The two last named young ladies had perhaps the jolliest time of all, boating, picnicking and basking in the sunshine at Balboa.

Fraternal Aid  
The Fraternal Ladies' Aid met at K. P. Hall Monday night. There was a good attendance. Oyster soup, pickles and bananas were served. From this time on the Aid will hold regular meetings the first Monday night in every month.

Birthday Party  
On the occasion of his birthday last Friday night Harry Brookbank entertained a few friends at cards. The young folks had quite a delightful time and were served with delicious refreshments consisting of two kinds of cake and fruit salad. Those who attended were Misses Gladys and Eva Stearns and Demaris Beardford, Mr. and Mrs. John Keiser, Clarence Polard, Louis Rhel, Otto Thorman and Willie Graves. After the party they all enjoyed a fine auto ride.

W. C. T. U. Meeting  
The W. C. T. U. will hold their regular meeting next Thursday afternoon with Mrs. W. L. Shatto. Delegates will be appointed to the county convention soon to be held at El Modena and Villa Park.

Dinner Party  
Mrs. B. F. Nimmo was hostess at a small dinner party given at her home Tuesday afternoon to her three friends, Mrs. C. O. Artz, Mrs. Ellis Smith and Mrs. J. C. Stearns. Mrs. Nimmo's attractive home was made more so by the beautiful pink roses which adorned the rooms and more especially the table upon which was spread the dinner attractively served. The ladies are close friends, and the afternoon sped quickly in each other's congenial society.

Cincinnati Circle  
The Cincinnati Circle of which Mrs. H. Romer is a member came down in an automobile to hold their meeting with her last Thursday. They came early in the morning in a touring car. Mrs. Romer served a delicious dinner to her friends and also a dainty tea and they returned home later in the evening. They were Mrs. E. J. Keifer and Mrs. M. E. Diebold of Highland Park; Mrs. H. Schroder and son Paul and Mrs. Diebold of Alhambra; Mrs. E. Stallard and Miss Dressler, Los Angeles; Miss Katie Schenkel and Mrs. H. Eberle from Pasadena; Mrs. Carrie Oldhausen, from Pittsburg, a visitor to Highland Park. The Circle is composed altogether of old friends from Cincinnati and they hold these pleasant meetings every two weeks.

Coreopsis Club  
The Coreopsis Club met with Mrs. Chas. Lambert Wednesday afternoon. There were nineteen ladies present: Mesdames Mount, Mann, House, Hart, Schwartz, Peacock, Frank Stearns, W. J. Stearns, Ed. Smith, Keiser, Reynolds, Hattie Swartz, and Misses Ruby Schwartz, Edith and Eva Stearns, Gertrude Lambert and a visitor, Mrs. McTaggart. This was styled baby day because there were four babies present and divided the time spent on fancy work, though there was considerable work accomplished. Refreshments of sandwiches, tea, fruit and cake were served and an unusually good time was reported.

The club will meet again in two weeks with Mrs. Mount.

#### Embroidery Club

The Richardson Embroidery Club will meet next Thursday afternoon with Mrs. Hardeste.

Visited at Bellflower  
Mr. Ely Hyers, Mrs. C. O. Artz, little Thelma and Louise Artz motored to Bellflower on Wednesday to visit old eastern friends from Logansport, Ind., Mr. and Mrs. Louis Kenline and Mr. and Mrs. Jno. Kenline. They now own ranches at Bellflower and the party were treated to a feast of good things both at dinner and supper, returning home later in the evening.

## Water! Water! Water!

Now that the water developments for the Yucaipa Valley are nearing completion, we again call attention to what has been done.

The big reservoir, holding sixty million gallons, is now filling up. It has been lined with reinforced concrete six inches thick and is secure from leakage. This splendid storage reservoir holds three thousand, two hundred and seventy inches of water. Within two or three weeks it will be entirely filled. A glass bottom boat is being built for use on the reservoir. The location of the reservoir is only one mile from Yucaipa City, and adjoins the Grand View Park, and will add greatly to the beauty and pleasure of the valley.

The water is obtained from sources high in the San Bernardino mountains from nine sources, four never-falling streams and four tunnels. One tunnel, nearing completion, is two thousand feet in length and yields one hundred inches of water, constant flow. The flow increases as the tunnels are projected into the mountains. These tunnels are to be bulkheaded and the water held back when not needed to fill the reservoir or for irrigating. The storm water and surplus from the streams is also stored in the deep gravel beds in the canyon and thus conserved. This supply is for the thirty-two hundred acres of trees now on the "Middle Bench" of the upper valley lands and is more than an ample supply for soil lands and for Yucaipa City. It is distributed for domestic and irrigating purposes through forty-two miles of steel mains, the most up-to-date irrigating system in Southern California as well as the cheapest.

The three thousand acres known as the "South Bench" will be supplied from six big pumping plants, operated with electric energy, the big pumps are now being set on unusually large concrete foundations. The water will be pumped into three concrete distributing reservoirs, now nearing completion. Twenty-four miles of steel mains, now laid, will distribute this water for domestic and irrigating purposes. This supply will be more than ample for all demands of the "South Bench." These two systems furnish water for the five thousand acres of the famous Big Red Apple land in the upper portion of the Yucaipa Valley. This land has an available supply of eight hundred inches of developed and stored water, probably more ample than any other irrigated land under a water system in Southern California. The ownership and control of the water goes with the land, and every purchaser of the land becomes a member of the mutual water company. This water is exclusively for the upper end of the valley. The lower or west end of the valley will be irrigated from the artesian basin on the lower levels adjacent to the hundreds of acres of vegetable gardens. It is a source of great satisfaction to the multitude of people interested in the Yucaipa valley to know that the water developments have been so successful and that there is no longer any grounds for anxiety about Yucaipa's water supply.

We make two or more trips every week. Remember Yucaipa is only 64 miles away. We make the trip up and back in one day. See this fine development and make a wise investment. Redlands & Yucaipa Land Company.

GRANTED

Mishaps on the Matrimonial  
Sea Where Cupid's Bark  
Was Wrecked

Although the usual Saturday holiday was observed in the superior court today, reports of official proceedings before that tribunal were received for record in County Clerk Williams' office. Included in the records submitted by Deputy Clerk Josephus Mandamus Backs, Jr., were three decrees of divorce, two interlocutory and one final.

The decrees were rendered in the following cases:

Final decree of divorce issued to Ellen M. Slayback and against James H. Slayback.

Interlocutory decree of divorce to E. F. Letourneau against his wife, Mrs. L. D. Letourneau.

Interlocutory decree of divorce to Emma Herman and against Henry Herman. Mrs. Herman resides at Fullerton and her ex-husband is supposed to be a resident of Oakland.

**Judgment Rendered**  
In the case of O'Donnell versus Highcy heard yesterday in the superior court, a verdict was rendered in favor of the plaintiff in the sum of \$2295.

**Set For Trial**  
Judge West has set the trial of Bean versus Bean for April 10.

**Appraisers Appointed**  
Messrs. J. G. Quick, P. L. Tople and M. J. Thomas have been designated.

OVER TWENTY PER  
CENT INCREASE IN  
POSTAL RECEIPTS

The postal receipts of the Santa Ana office show a most gratifying gain for the month, quarter and year ending March 31, 1913, with an increasing percentage throughout the year.

Following are the comparative figures furnished by Postmaster Shaw:

For March, 1913 ..... \$3,344.59  
For March, 1912 ..... 2,634.06  
Increase, \$710.45, or over 29 per cent.  
For three months ending Mar. 31, 1913 ..... \$9,619.14  
For three months ending Mar. 31, 1912 ..... 8,060.56  
Increase, \$1,558.58, or over 16 per cent.

For the year ending Mar. 31, 1913 ..... \$37,308.32  
For the year ending Mar. 31, 1912 ..... 31,936.64  
Increase, \$5,371.68, or over 14 per cent.

The receipts necessary for a first-class office are \$40,000 per annum, and the Santa Ana office will easily enter the premier class next year. The receipts this year, being in excess of \$35,000, place it in the highest grade of second-class offices.

## IN THE JUSTICE COURT

PISTOL CARRIER  
SENT TO JAIL  
6 MONTHS

Justice Cox Gives Mexican A  
Salutary Lesson For  
Bad Practice

For the ensuing six months Jose Hernandez may barge upon the law that prohibits the carrying of concealed weapons. Notwithstanding a rather straightforward story that Jose had to tell in explanation of his possession of a 44-caliber revolver when arrested yesterday, Justice of the Peace Cox this morning sentenced him to imprisonment in the county jail for 180 days.

There were several unusual incidents in connection with the case. The Mexican, who is a fine looking young man of perhaps 25 years, was found idling on the road near the scene of yesterday's battle between a sheriff's posse and some Mexicans near Orangethorpe school house. Two other young Mexicans were with him. Jose said that he had no knowledge of the other two fellows; that previous to meeting them he had met another Mexican who was penniless and hungry. The stranger offered to sell him the revolver, a handsome pearl-handled weapon for one dollar.

"I bought it to help him out—he was hungry," explained Jose through the interpreter.

Justice Cox was not disposed to accept the young man's story in its entirety, but he frankly admitted that he did not like the announcement from Deputy District Attorney Koepsel that the law makes it mandatory to impose a sentence of six months imprisonment in such cases together with a fine of \$300. Jose admitted his guilt and so he was sentenced to six months. He did not comprehend the severity of the sentence at first, for he inquired of the interpreter, Under Sheriff Law, if it was "six pesos?" When informed of the truth he was plainly distressed.

**Mexican Suspect Held**  
How much connection Alexander Lopez and Juan Hernandez had with the Mexicans who were engaged in the revolver and rifle battle with Sheriff Ruddock's men near the Orangethorpe schoolhouse yesterday morning, may be determined while they are held in the county jail pending their preliminary examination before Justice Cox April 12 next. They were arraigned before the justice late yesterday afternoon, but they denied all knowledge of the occurrence, and claimed that they had merely chanced to make the acquaintance of Jose Hernandez, who carried a revolver.

SLIGHT BLAZE IN  
BICYCLE EMPORIUM

Harry Osborne was engaged in filling the gasoline tank in his new 1913 model Indian motorcycle about ten minutes before 2 o'clock this afternoon at the cyclery of H. E. Hendrickson at 317 West Fourth street, when he was suddenly enveloped in a sheet of fire. With rare presence of mind he grabbed a heavy woolen blanket that was nearby and smothered the flames, while another young man rendered assistance. The fluid was fortunately prevented from flowing over the asphalt paving and the blazing blanket was soon out in the street. No damage.

## BIG RESERVOIR FILLING UP

YUCAIPA, April 5.—The big reservoir of the Redlands and Yucaipa Land company, located in the foothills of the upper Yucaipa valley, is now over half full. For two weeks a stream of 200 miners' inches of water has been pouring into the big basin and in two weeks more it will be filled to its capacity of sixty million gallons. The reservoir has been under construction for more than a year. It has been created by connecting a chain of foot hills by dams which make an ideal storage basin. It may appear small alongside of the great Roosevelt dam, but it is of no mean proportions as it holds 3,270 miners' inches of water. It is fed by streams and water tunnels high in the San Bernardino mountains. This storage water, together with six big pumping plants on the "South Bench," afford an ample supply for the upper Yucaipa valley. The reservoir is lined with reinforced concrete. A glass-bottom boat is being built for use and pleasure on the beautiful sheet of water.

**"Roney's Boys" Sing for Soldiers**  
When "Roney's Boys" sang "Tenting Tonight" at the reunion of the "Iron Brigade" during the grand encampment of the G. A. R. at Chicago, a dramatic incident occurred. During the slight pause between verses the rattle of musketry and boom of cannon in a war drama on the lake shore was heard in the distance, adding peculiar significance to the verse which followed: "We've been fighting today on the old camp ground." The battle-scarred old soldiers exchanged glances, and tears sprang to many eyes, as old war memories were so significantly revived.

**"Roney's Boys" in Name Only**  
Many amusing incidents have occurred on account of the name "Roney's Boys," by which are known all over the country the five wonderful youngsters which Mr. Roney will bring to this city for a concert on April 9. Being from different families in different states the boys are, of course, not related to Mr. Roney, their trainer and manager, but conductors and hotel men persist in

talking to the boys in all seriousness about their "Papa," and the youngsters find the mistake an endless source of amusement. The first "Roney's Boys" chose the name themselves many years ago, before the lads of the present company were born. The name has become a trademark of immense value to Mr. Roney, who is indefatigable in his efforts to keep his company up to the standard he has established, notwithstanding the yearly changes in its personnel.
